

**GAMMA real estate** is a boutique agency designed to provide a tailored service to each client.

## Property Services

### Rentals

Helping property owners find the best tenants for their property.

### Sales

Keeping our client list exclusive, assists us in being able to spend more time on your property.

### Property Management

From rental and maintenance, to sales and advice, managing your property is our pleasure.

### Property Maintenance

We have numerous maintenance trades ready to assist.

If you are looking for more than maintenance (e.g. remodels, property make overs or renovations), we can help there too!
